

Thinking Buildings are looking for Part 1 and/or Part 2 Graduate

March 2017

Thinking Buildings are looking for talented and enthusiastic Part 1 or Part 2 graduates to join our Banbury office starting at the end of the 2017 academic year.

About You

We would like to hear from you if you are the type of person that is able to meet a challenge, design beautiful and functional buildings, put client service top of the list and work as part of a team.

If so Thinking Buildings has an exciting opportunity to join a busy and expanding practice that is going places.

As a practice we believe in the longer term benefits of moulding fantastic graduates into fantastic Architects, providing exposure to projects whilst also providing appropriate training, guidance and support.

The job skills at a glance:

- ✓ Enthusiastic, self-motivated and flexible personality who is striving to help.
- ✓ Hands on can do attitude, with a willingness to get involved in glamorous as well as less glamorous work
- ✓ Good design skills
- ✓ Good technical/constructional knowledge and an interest in how things come together.
- ✓ Skills, interest and a desire to use BIM.
- ✓ A friendly outgoing personality that can thrive in a close knit office environment
- ✓ Car owner with full UK licence

Thinking Buildings deliver all projects using BIM software (ArchiCAD). Having some BIM skills and interest would be a distinct advantage in the role although full training can be provided.

About Thinking Buildings

Thinking Buildings are a RIBA chartered practice. The practice has a wide portfolio of work and clients covering educational and commercial projects, high quality one off houses and low energy design. As a practice we offer:

- ✓ Competitive salary and benefits
- ✓ An opportunity to flourish in a team environment. We are currently a practice of 7/8.
- ✓ Easy to access location in the village of Bloxham
- ✓ Regular training, CPD and an aim to excel at developing BIM skills
- ✓ Flexible working conditions where getting the job done is the most important measure
- ✓ Exposure to all aspects of practice - you will never be bored.

If this job is for you please email Darren Aspinall with your CV to d.aspinall@thinking-buildings.co.uk
